Grounds for Opposition

- 1 • Priority and likelihood of confusion Trademark Act section 2(d)
- 2 • Fraud *Torres v. Cantine Torresella S.r.l.*
- 3 808 F.2d 46 (Fed. Cir. 1986)

4
5 1. California Opposer is the owner of all right, title, and interest in and to
6 the trademarks pled in this Notice of Opposition and presently uses it in connection
7 with smokeless cigarette vaporizer pipes, e-cigarettes and accessories, in class 034;
8 online and In Store Retail sales of e-cigarettes, tobacco vaporizers and accessories, in
9 class 35; and short-sleeved or long-sleeved t-shirts, in class 25.

10 ***Priority***

11 2. California Opposer has priority over Applicant because California
12 Opposer adopted and commenced use of the “Planet of the Vapes” word mark on
13 June 16, 2013, for smokeless cigarette vaporizer pipes, e-cigarettes and accessories, in
14 class 034; online and In Store Retail sales of e-cigarettes, tobacco vaporizers and
15 accessories, in class 35; and short-sleeved or long-sleeved t-shirts, in class 25; and the
16 related design mark U.S. Reg. No. 4,661,874 on July 1, 2013 for smokeless cigarette
17 vaporizer pipes, e-cigarettes and accessories, in class 034; and short-sleeved or long-
18 sleeved t-shirts, in class 25.

19 3. On June 16, 2013, the California Opposer opened its brick and mortar
20 store located at 6840 65th Street #110 Sacramento, CA 95828 wherein it sells its
21 goods and services under the brand name and word mark “Planet of the Vapes”.

22 4. Since July 1, 2013, California Opposer has operated a website to
23 advertise and sell its goods and services under the domains: **planetofthevapes.biz** and
24 **planet-of-the-vapes-online.myshopify.com** originating from the United States.

25 5. California Opposer uses the “Planet of the Vapes” word mark not only to
26 identify goods and services, but also to identify its company name, Planet of the
27 Vapes, LLC.
28

1 6. Filed concurrently herewith as **Exhibit 1** is a true and correct copy of
2 California Opposer's business registration with the California Secretary of State
3 showing, in pertinent part, registration of the name "Planet of the Vapes, LLC" as of
4 May 20, 2013.

5 7. Maryland Opposer has priority over Applicant because Maryland
6 Opposer adopted and commenced use of the "Planet of the Vapes" word mark on
7 February 15, 2014, for smokeless cigarette vaporizer pipes, e-cigarettes and
8 accessories, in class 034; and for online and In Store Retail sales of e-cigarettes,
9 tobacco vaporizers and accessories, in class 35; and short-sleeved or long-sleeved t-
10 shirts, in class 25.

11 8. On February 15, 2014, the Maryland Opposer opened its brick and
12 mortar store located at 2531 Mountain Road Street Pasadena, MD 21122 wherein it
13 sells its goods and services under the brand name and word mark "Planet of the
14 Vapes".

15 9. Since February 15, 2014, Maryland Opposer has operated a website to
16 advertise and sell its goods and services under the domain: **planetofthevapesmd.com**
17 originating from the United States.

18 10. Maryland Opposer uses the "Planet of the Vapes" word mark not only to
19 identify goods and services, but also to identify its company name, Planet of the
20 Vapes, LLC.

21 11. In contrast and upon information and belief, Applicant did not use the
22 word mark "Planet of the Vapes" in commerce with regard to any trademark class
23 until November 2014.

24 12. Upon information and belief, Applicant is an online-only reseller of
25 smoking implements. Applicant does not operate a brick and mortar store displaying
26 the "Planet of the Vapes" word mark, nor manufacture any products displaying the
27 "Planet of the Vapes" word mark, nor sell any products displaying the "Planet of the
28 Vapes" word mark.

13. Applicant's only purported use of the "Planet of the Vapes" word mark is through his online store located at "planetofthevapes.com"

14. According to his application, Applicant registered the domain name “planetofthevapes.com” in 2010, but he did not use the “Planet of the Vapes” word mark nor operate a functioning website at that domain until after February of 2014 at the earliest.

15. Filed concurrently herewith as **Exhibit 2** is true and correct copy of an archived version of Applicant's website accessible at <http://web.archive.org> from February 2014 attached hereto as shows that the website was not yet established and merely "Will be opening soon."

16. This archive shows that Applicant had not established his website until after February 2014 at the earliest, months after the California had its first and continuous use of the word mark “Planet of the Vapes.”

17. Filed concurrently herewith as **Exhibit 3** is a true and correct copy of an internet posting on the website Reddit.com (Available online at http://www.Reddit.com/r/vaporents/comments/2ni4v5/planetofthevapescom_intro_post_exclusive/). The posting was authored by Applicant on **November 27, 2014**. In it, Applicant states “This is Patrick from Planetofthevapes.com. It’s been a long time in the making and I’m very excited that I’ve finally launched the website.”

18. This posting constitutes an admission against interest that the website purportedly registered in 2010 was not “launched” until November 2014, more than a year after the California Opposer began its first and continuous use.

19. Upon information and belief, Opposers allege that any use of the “Planet of Vapes” work mark prior to November 2014, if any, was made in a form that does not provide a basis for Applicant to register the mark.

Likelihood of Confusion

20. The California Opposer contends that its exclusive and continuous use of its “Planet of the Vapes” word mark in connection with smokeless cigarette vaporizer

1 pipes, e-cigarettes and accessories, in class 034; online and In Store Retail sales of e-
2 cigarettes, tobacco vaporizers and accessories, in class 35; and short-sleeved or long-
3 sleeved t-shirts, in class 25, California Opposer's "Planet of the Vapes" mark has
4 come to be recognized among the consuming public as a designator of origin with
5 respect to said products and services.

6 21. The Maryland Opposer contends that its continuous use of its "Planet of
7 the Vapes" word mark in connection with smokeless cigarette vaporizer pipes, e-
8 cigarettes and accessories, in class 034; online and In Store Retail sales of e-
9 cigarettes, tobacco vaporizers and accessories, in class 35; and short-sleeved or long-
10 sleeved t-shirts, in class 25, Maryland Opposer's "Planet of the Vapes" mark has
11 come to be recognized among the consuming public as a designator of origin with
12 respect to said products and services.

13 22. Upon information and belief, Opposers allege that any use of the "Planet
14 of the Vapes" word mark by Applicant or any related entity, if any, does not provide a
15 basis for Applicant to register the trademark because Applicant does not, and cannot,
16 control the nature and quality of the goods used in connection with the trademark.

17 23. Applicant's "Planet of the Vapes" word mark so resembles the
18 Opposers' "Planet of the Vapes" marks in terms of appearance, sound, connotation
19 and commercial impression as to be likely, when applied to Applicant's vaporizer
20 products, to cause confusion and mistake and to deceive. The products in the opposed
21 application are not restricted as to types of customers or channels of trade.

22 24. Applicant's "Planet of the Vapes" word mark is confusingly similar to
23 Opposers' "Planet of the Vapes" word marks so that registration of the mark would be
24 inconsistent with and damaging to Opposers' exclusive and prior rights in their marks
25 in connection with the products and services with which they are used.

26 25. Any defect, objection or fault found with any goods or services sold
27 under the "Planet of the Vapes" word mark would injure the valuable reputation and
28

1 goodwill the Opposers have established for goods and services sold under their
2 “Planet of the Vapes” word marks.

3 26. Opposers will be damaged by registration of Applicant's proposed mark.

4 ***Fraud***

5 27. The Applicant committed fraud upon the Examining Attorney. The
6 Applicant made a false representation to the Examining Attorney in his Application
7 and December 17, 2014 response to office action.

8 28. In his Application, Applicant claims that his first use and first use in
9 commerce of the “Planet of the Vapes” word mark was at least as early 2010 for:

10 **Class 034:**Boxes for electronic cigarettes and electronic cigarette accessories;
11 Cartomizers, namely, combination electronic cigarette refill cartridges sold empty and
12 atomizers, sold as a component of electronic cigarettes; Cases for electronic cigarettes
13 and electronic cigarette accessories; Electronic cigarette boxes; Electronic cigarette
14 cases; Electronic cigarette lighters; Electronic cigarette refill cartridges sold empty;
15 Electronic cigarettes; Electronic cigarettes for use as an alternative to traditional
16 cigarettes; Mechanical electronic cigarettes; Smokeless cigar vaporizer pipes;
17 Smokeless cigarette vaporizer pipe; Smokers mouthpieces for vaporizers, vaporizer
18 accessories, namely, protective carrying cases specially adapted for electronic
19 cigarettes and smokeless vaporizer pipes and pens; electronic cigarettes; smokeless
20 inhalers, namely, smokeless vaporizer pipes and pens; grinders for smoking herbs;
21 storage containers for smoking herbs; storage containers for concentrated extracts of
22 smoking herbs; Tobacco grinders; and **Class 035:** Direct response retail services by
23 means of infomercials in the field of vaporizers, vaporizer accessories, electronic
24 cigarettes, smokeless inhalers, herbal grinders, herbal storage containers, vaporizable
25 liquids and vaporizable concentrate storage. Online retail services through direct
26 solicitation by distributors directed to end-users featuring vaporizers, vaporizer
27 accessories, electronic cigarettes, smokeless inhalers, herbal grinders, herbal storage
28 containers, vaporizable liquids and vaporizable concentrate storage. Online retail

1 services through direct solicitation by salespersons directed to end-users featuring
2 vaporizers, vaporizer accessories, electronic cigarettes, smokeless inhalers, herbal
3 grinders, herbal storage containers, vaporizable liquids and vaporizable concentrate
4 storage. Retail services by direct solicitation by sales agents in the field of vaporizers,
5 vaporizer accessories, electronic cigarettes, smokeless inhalers, herbal grinders,
6 herbal storage containers, vaporizable liquids and vaporizable concentrate storage.
7 Retail services through direct solicitation by distributors directed to end-users
8 featuring vaporizers, vaporizer accessories, electronic cigarettes, smokeless inhalers,
9 herbal grinders, herbal storage containers, vaporizable liquids and vaporizable
10 concentrate storage. Retail services through direct solicitation by salespersons
11 directed to end-users featuring vaporizers, vaporizer accessories, electronic cigarettes,
12 smokeless inhalers, herbal grinders, herbal storage containers, vaporizable liquids and
13 vaporizable concentrate storage.

14 29. Applicant knew or should have known that he did not use the “Planet of
15 the Vapes” word mark in commerce for either of these classes until after February
16 2014 at the earliest, and upon information and belief Applicant still does not use the
17 “Planet of the Vapes” word mark in commerce in connection with any tobacco,
18 nicotine, or e-cigarette or e-cigar related goods.

19 30. Additionally, in his December 17, 2014 response, the Applicant falsely
20 answered “no” to the Examining Attorney’s inquiry “Do applicant’s identified goods
21 include devices or paraphernalia designed for use to consume, inhale or ingest
22 marijuana, cannabis hemp, marijuana based, cannabis-based or hemp-based
23 preparations, or marijuana, cannabis or hemp-based extracts or derivatives, synthetic
24 marijuana, or any other illegal controlled substances?”

25 31. Upon information and belief, Opposers hereby allege that Applicant
26 knows or should have known that his goods and services for which he seeks to
27 register the “Planet of the Vapes” word mark include paraphernalia designed to
28

1 consume cannabis, a Schedule I controlled substance under the Controlled Substances
2 Act, 21 U.S.C. Section 801 *et seq.*

3 32. Applicant's November 27, 2014 post, attached hereto as Exhibit 3,
4 announced his newly launched website on an internet bulletin board known as
5 "reddit.com/r/vaporents" or "r/vaporents." The bulletin board's description sidebar
6 describes it as a place for users "to talk about anything related to **cannabis vapor and**
7 **vaporizers.**" [Emphasis added].

8 19. These false representations were material to the registration based on 15
9 USC § 1052(a) and (d). Applicant knew the representations were incomplete and
10 misleading. These false representations were intended to deceive the Examining
11 Attorney to avoid a rejection of the application based on 15 USC § 1052(a) and (d).

12 **VII.**

13 **Prayer**

14 WHEREFORE, Opposers pray that their Opposition be sustained and that the
15 opposed mark be denied registration. The filing fee for this Joint Opposition in the
16 amount of \$1,200 is enclosed herewith for the relevant 2 classes.

17 This Opposition is being filed by the undersigned attorneys at law, duly
18 authorized to represent Opposers in this proceeding, pursuant to Trademark Rule
19 2.101(b).

Unfortunately Shopify does not allow coupon stacking so if you want to purchase more than one vaporizer you'll need to make multiple purchases to get the discount.

We're not allowed to discount Storz & Bickel vaporizers, but we are one of the few stores that actually has the Crafty and Mighty in stock and we have the most generous Volcano packages available.

The Herbalizer should be available by Friday and the VapeXhale Cloud Evo should be available next week.

Please let us know if you have any questions or requests for other discount codes.

Have a great Thanksgiving and holiday season!

Take care

Patrick & Julie
